OFFICE OF  
Geoffrey Charlton Adams  
NUMISMATIST  
NEW YORK, U. S. A.

DEAR SIR:

Again we return to our "first love," after wandering among the fields of book collecting, and we must say that we enjoyed our vacation, and that it did us good. We met a jolly lot of good fellows, know a lot more about the "Book-worm" than we ever thought we would know, and liked it so well that we may try it again in the future. The present Sale, to which we call your attention, consists of various consignments, notably among which are the coins belonging to Mr. George H. Wilks, of Clyde, Kansas, which are perfectly able to speak for themselves, both as to condition and rarity. In fact, in this Sale there is "something for everybody," and if you miss your particular hobby, it is because you did not read this Catalogue carefully. It is not necessary for us to expatiate further on this matter, you will show by your bids just what you think of it, and that is all that the owners or cataloguer can desire. And now, while we think of it, take notice, all ye curio collectors, and those that collect war relics, that in our March Sale, the last 100 lots will consist of Part I. of the collection of the late Mr. H. W. Mix, of Brooklyn, long and favorably known as a collector of rare and curious relics, pertaining to wars and great events. We have in preparation for our April Sale an Eastern collection that probably is better known for its rarities than any other in the United States, but of this more anon. Thanking you, one and all, for your generous responses at our Sales, we have the honor to be,

Very truly yours,

GEOFFREY CHARLTON ADAMS.
